Significant Jewish and Christian manuscripts are scattered in libraries, synagogues and monasteries throughout the world. Many are inaccessible. All are deteriorating. ABMC preserves film and digital images of early biblical manuscripts from around the world, and provides access to these images for all interested parties.

Your generosity helps ensure that precious manuscripts of the Bible—and of related early Jewish and Christian texts—are accessible for translators, scholars and students.

**Thank you for your generosity. Gifts made to ABMC are tax deductible.**
